The State Board of Accounts is of the audit position, with the concurrence of the Attorney for the Township Trustees Association, the following procedures should be followed for a consistent compilation and completion of Township Assistance Form TA-7.

When completing the form please keep in mind reconciliation or cross-checking cannot, necessarily, be achieved; i.e., Total Value of Benefits Provided TOWNSHIP ASSISTANCE Recipients (Item 3), will not necessarily be the summation of Total Value of Benefits Provided for Utilities (Item 6 (i)); Total Value of Benefits Provided for Housing Assistance (Item 8 (i)); Total Value of Food Assistance Provided (Item 10 (i)); and, Total Value of Health Care Provided (Item 12 (i)); because IC 12-20-28-3 does not specifically require separate reporting of certain Township Assistance provided by townships; i.e., clothing, household supplies, transportation, etc.
